## 6 SPECIAL RESOLUTION TO PROPOSE AMENDMENTS TO THE RULES OF THE ASSOCIATION

Dennis Ayliffe outlined proposed Rules changes which were distributed to members 3 weeks prior to the AGM as a Special Resolution:

- The President, in consultation with the Committee, conducted clause-by-clause review of the Rules that has shown, whilst in large part they remain relevant to the operation of the Association, there is a need to bring them up to date to reflect the changing requirements of the Association and to correct some minor errors.
- In summary the major changes proposed are:
- to confirm the role of the Association as a national peak body for Friends of Botanic Gardens Groups and to clarify the role of the Association in the conduct of the biennial national conference and occasional forums.
- inserting a new rule allowing for the appointment of a Patron.
- to delete the requirement that the Secretary of the Association be a Victorian resident and replace it with a provision that the Secretary be an Australian resident.
- inserting a rule that restricts the number of representatives a Member can have on the Committee to one only. This change results from legal advice received last year from the Friends of Royal Brisbane Botanical Gardens and Sherwood Arboretum.
- to remove the provision for an unsuccessful candidate at an election being offered a general committee position if an election for that committee position has not been held. The purpose of the provision is not clear and no other organization with similar structures consulted had this provision in their rules. It is still open for an unsuccessful candidate for a position to be nominated from the floor of an Annual General Meeting for a committee position.
- The proposed amendments are set out in the Table at Attachment 1.
- A copy of the Rules with amendments highlighted can be found at the Association’s website [www.friendsbotanicgardens.org](http://www.friendsbotanicgardens.org)

### Recommendation

- **The Committee recommends that Members agree to the proposed amendments to the Rules.**
- Members should note that in accordance with s39 of the Rules a special resolution such as this requires a vote of not less than 75 per cent in favour to be passed.
- Should agreement be forthcoming an amended copy will be sent to Consumer Affairs Victoria for their information and records.
